

**SP/ARK**  
SPACE FOR CREATIVITY

## Flexible Accommodation

At **SP/ARK** we offer 2 types of business accommodation.

**SP/ARK Open Plan Area** a fully functioning workstation in the open-plan incubator including a choice of Apple Mac or PC and some of the best creative software available.

**SP/ARK Office Area** provides a fully furnished office where rent is heavily subsidised over a two and a half year period.

## Professional Photo Studio

A subsidised and fully equipped professional photo studio can be hired by the hour, evening half or full day.

## Superb Location

One mile outside Wolverhampton town centre. Free parking for the tenants and visitors. Good access to motorways and public transport. Disabled parking and access to all floors.

## Excellent Facilities

A prestigious address and post box for tenant companies. 24/7 access and security including surveillance cameras and onsite security guards. Serviced reception area providing a meet and greet service. Subsidised meeting rooms of varying size ideal for training workshops, seminars and board meetings. Informal meeting and rest areas including a Costa Coffee.

## Supported Business Environment

A friendly business community in a professional atmosphere. Excellent networking opportunities, tailored mentoring support, informative seminars and training sessions. Access to the academic network at Wolverhampton University and a network of specialist service providers. Promotion through **SP/ARK's** wide range of marketing activities. Access to subsidised ICT facilities.

Project Part-Financed by the European Union  
European Regional Development Fund
